Subject: FW: rick edits on oxitec response
Attachments: Scienceline Press Inquiry cleaned12.4.20 RPKAD-so.docx

Hi there,

Rick had some edits for this press inquiry. Can you take a look at the changes we made and confirm they look okay before EOD – especially on whether or not we should change “infected”?

Thank you!

Hi – Here are suggestions. Can you take a look and get clearance – especially on whether or not we change “infected”?
